Headline:
Sunny spells and heavy, blustery showers.

Today:
A mix of sunny spells and heavy, blustery and perhaps thundery showers, the showers most frequent across western parts. Feeling cool in the occasionally strong southwesterly breeze. Maximum temperature 13 deg C (55 deg F).

Tonight:
Blustery showers become increasingly confined to western counties this evening, with eastern parts mostly dry with clear spells. Towards dawn increasing cloud brings outbreaks of rain to southern counties. Minimum temperature 5 deg C (41 deg F).

Saturday:
Cloud and outbreaks of rain soon clear northeast to leave a bright day with sunny spells and occasionally heavy showers. The showers becoming confined to western parts during the afternoon. Maximum temperature 14 deg C (57 deg F).

Outlook for Sunday to Tuesday:
Sunny or clear spells and occasionally heavy and blustery showers through Sunday and Monday with occasionally strong southwesterly winds. Lighter northwesterly winds with sunny spells and lighter showers Tuesday.
